RE: Receipt of Documents from USPTO **NOT** Belonging to our Company

Dear Sir or Madam:

Under this cover letter, I am returning a document that is NOT Emerson's for the following patent application numbers:

<u>Application No.</u>	<u>Type of Document</u>	<u>Patent No.</u>
10/062,561	Office Action Summary	TBD

I have been in contact with Miles & Stockbridge law firm of McLean, Virginia. This law firm was identified as the intended recipient of the documents received. The firm confirmed that the paperwork is indeed intended for them. I am sending via Facismile to their offices.

Our customer numbers are similar. Emerson Electric Co.'s is 118 and Miles & Stockbridge is 181. Please correct your records as soon as possible so the proper party can begin receiving their documents. This has been occurring regularly over the last year. Thank you in advance for your assistance in this matter.

Sincerely,

Cindy Kamp
